

“Art No Stop Network” Constitution

1. Art No Stop Network

- The following document is the Constitution of the “Art No Stop Network”.
- All bodies and individuals coming under the “Art No Stop Network” must adhere to the Constitution.
- Further documents may be designated as foundational documents to the “Art No Stop Network” by the Funders Organizations Legal Representatives
- “Art No Stop Network” is also known as ‘AnSn’ and these terms can be used interchangeably.

2. Aims of AnSn

- The general objective of the Art No Stop Network is to promote the creation of a network which incentivizes inclusion and creative education accessible to social projects and artists
- “Art No Stop Network” is a community of social workers, artists, creative professionals and institutions committed to building a solid bridge between the world of Art and those organizations working in the social field
- Providing support for artists working in the field of social practice offering services developed in social spaces
- Experiment with new models of ACTIVE WELCOMING within the communities, which provide permanent education for adults using creative residencies and art exhibitions inside and outside the host communities.
- Generate and empower the digital web platform www.artnostop.com which brings together social projects capable of providing training and services beneficial to artists.
- Train permanently social workers with the necessary artistic/technical/digital skills to manage their social projects as places of Active Reception, promoting artistic residencies and events
- Train permanently vulnerable adults and low-skilled project clients and in the technical production of art shows in order to bring them closer to the art world and give them greater job opportunities
- Make the condition of vulnerable people visible through art and educate citizens in order to change their perspective towards migrants.
- Offer vulnerable adults a different perspective of host communities where the user is the protagonist and engine of their community together with the technical team
- Promote the inclusion of art as a form of informal education thanks to the consolidation of its presence and support in social projects
- Sustain the vision of communities as a social entrepreneurship project in favor of the principle of Generative Welfare.

The page features decorative geometric patterns in the corners, consisting of overlapping triangles in teal, yellow, red, and green. The central area is white and contains the main text.
